Ellie's Friendship Closet Calling for Donations

Project Stork, Inc. accepts donations for new or gently used baby clothes, Newborn to 3T. Please make sure these items are prewashed, free of stains, missing buttons, and/or holes. Please lay flat, full outfit sets, in a clean box or bag.

In the Schools Seventeen Days

Project Stork, Inc. is providing school districts with the opportunity for young ladies, ages 14-19, to participate in Seventeen Days, an interactive evidence-based pregnancy prevention DVD. If you would like your teen to be a part of this, contact us.

Mother's Day Tea Party Fundraiser Event

We had such a wonderful time at the Mother's Day Tea fundraising event. It was terrific to see all the lovely ladies and little ladies enjoying each other's company. The raffles and auction was a great success.

YOUNG MOMMA SPOTLIGHT!

Dayonna has put in so much work the last two months, since she has joined our goal-based incentive program. Her love for her baby boy, Landon, is beyond precious. Landon has two wonderful parents, that continue to make choices that will benefit their family. I am so proud of Dayonna! She has increased her GPA and is on track to pass all of her classes this year. Her attendance has significantly improved, allowing her to understand material in school. This month, Dayonna, will earn a brand-new stroller, for Landon, along with diapers, wipes, and any needed clothing item. Dayonna and Devin keep your team strong, you will do wonderful things together, never lose sight of your dreams.
